

FLORIDA

The Tournament “**Leyendas del Futuro**” attracts players from different countries on an international stage. The tournament promotes a high-level competitive experience and intercultural exchange.

CYCLONES FC

Cyclones FC is a club in the Florida neighborhood that, thanks to its partnership with **AFA Internacional**, has positioned itself as a leader in soccer player training, applying a world-class methodology and being part of a global network of **clubs and academies**.

THE FACILITIES

The **Hollywood, Florida** facility boasts first-class amenities where young soccer players can enjoy a comprehensive, high-performance experience.
